Chair Based Activity Training Part 1 delivered by LifeDock Training

Chair based activity provides a place of security particularly for those with mobility, balance and confidence problems, and can help improve strength and flexibility.

This fully accredited course (OCN Level 2) has been designed to enable potential leaders to:

- Deliver a safe and effective chair based activity session in a fun way for less active and older people
- Understand the implications of physical activity and the older participant
- Employ motivation techniques and leadership skills
- Understand and implement health and safety issues.

This is an Open College Network Level 2 accredited course and involves completion of a short workbook and practical assessment. Day 3 is a workshop designed to reinforce learning, build confidence and address any challenges Learners may have experienced when delivering to their groups. This workshop will encourage participants to practise what they have learned in anticipation of the workshop.

Dates

Thur 1 Feb 2018 9.45am – 5.00pm Knockbracken Hall, KHCP

Thur 8 Feb 2018 9.45am – 5.00pm Knockbracken Hall, KHCP

Thur 22 Mar 2018 2pm – 4.45pm Knockbracken Hall, KHCP

Attendance on all 3 dates compulsory

Chi Me Training delivered by LifeDock Training

This easy to learn and effective programme will provide all the skills needed to lead groups of older people or those with health issues in a Chi Me session.

This fully accredited course through the Open College Network (OCNNI) is a series of Tai Chi influenced exercises that will equip course participants with the skills necessary to lead group sessions and also enable them to gain benefits by applying the techniques as individuals.

The LifeDock Chi Me course, based on Tai Chi, can significantly reduce the risk of falls in older people. It can also improve muscular strength, balance, co-ordination, flexibility, and relaxation. Chi Me can be easily adapted for anyone, from the most fit to those confined to wheelchairs. People with learning difficulties, depression and those recovering from surgery will also gain benefits. This programme includes specific exercises which may aid in falls prevention.

This is an Open College Network Level 2 accredited course and involves completion of a short workbook and practical assessment. Day 3 is a workshop designed to reinforce learning, build confidence and address any challenges Learners may have experienced when delivering to their groups. This workshop will encourage participants to practise what they have learned in anticipation of the workshop.

Dates

Thur 15 Jun 2017 9.45am – 5.00pm Knockbracken Hall, KHCP

Thur 22 Jun 2017 9.45am – 5.00pm Knockbracken Hall, KHCP

Tue 25 July 2017 2.00pm – 4.45pm Knockbracken Hall, KHCP

Attendance on all 3 days compulsory

Early Movers Training

Early Movers Training is a programme to support understanding and delivery of physical activity for under 5's.

The British Heart Foundation (BHF) Early Movers training aims to promote a greater understanding of the important role physical activity plays in early years' development. It is designed to increase knowledge of the physical activity guidelines for early years as well as provide practical ideas on how to increase physical activity within settings by supporting early years' practitioners and settings in the planning and organisation of physically active play environments for children under five.

Who should attend?

This training is relevant to practitioners, health professionals or individuals of all settings who provide care to children from birth up to the age of five. It can also be used by professionals who provide support to parents/carers, such as health improvement officers, early years advisers, health visitors etc. where physical activity may be one element of a focus on healthy lifestyles.

Training outcomes

By the end of the training session, participants will:

- Understand the importance of physical activity in the early years
- Learn about the physical activity and sedentary guidelines
- Be able to support their setting/s to audit current physical activity provision and take steps to identify areas for improvement
- Have developed confidence to extend the physical activity opportunities available to the young children they work with
- Have additional practical physical activity ideas.

Dates

Mon 19 Jun 2017 6.15pm – 9.30pm Knockbracken Hall, KHCP

Mon 9 Oct 2017 6.15pm – 9.30pm Knockbracken Hall, KHCP

Mon 5 Feb 2018 6.15pm – 9.30pm Knockbracken Hall, KHCP

Participants only need to attend on one date.

All participants will receive an 'Early Movers' resource pack.

Inclusive Games Training delivered by Disability Sport NI

This 3.5hr course, delivered by Disability Sports NI, is designed for those currently working with or planning to work with children, adults or older people with disabilities, or with limited mobility. Through a series of practical 'hands on' sessions participants are provided with enough knowledge to run activity sessions in a range of inclusive games/sports in which disabled and non disabled children and adults can participate. No previous sports experience is necessary.

The Inclusive Games included in the course are:

- Boccia
- Table Top Games
- Zone Hockey
- Tee Rounders
- Goalball
- New Age Kurling
- Zone Football

On completion of the course all participants will receive an 'Inclusive Games' resources pack as well as a Disability Sports NI Certificate of Attendance.

Dates

Thur 5 Oct 2017 9.45am – 13.45pm Knockbracken Hall, KHCP

Moving More Often Training

Moving more often is aimed at those working with older people, especially frailer older people, encouraging this target group to remain as physically independent as possible.

Who should attend?

The programme targets health and social care workers and volunteers who work with frailer older people and who wish to promote physical activity and movement in a range of community, residential and social care settings.

Learning Objectives

- To highlight the importance of moving more often in later years
- To explore practical considerations when promoting physical activity and movement with frailer older people
- To enable participants to provide a range of activities which enhance existing physical activity programmes including group games.

Course Content

- Activity levels in later years
- Benefits of being active in later years
- Barriers to being active
- Motivation for physical activity and movement
- Preparation and safety for activity
- Activities and games to promote physical activity and movement.

Dates

Tue 6 Jun 2017 9.45am – 3.00pm Knockbracken Hall, KHCP

Thu 28 Sep 2017 9.45am – 3.00pm Knockbracken Hall, KHCP

Thu 22 Feb 2018 9.45am – 3.00pm Knockbracken Hall, KHCP

Participants only need to attend on one date.

Participants will receive a 'Moving More Often' resource pack, set of games cards and equipment bag.

On Your Feet Exercise course delivered by LifeDock Training

This course is designed for those who are currently working with older people and those with limited mobility, mental and physical disabilities and learning disabilities. This may be in a variety of settings in which the potential student is employed or volunteering.

As the name suggests, this programme encourages the participants to be 'On their Feet' and has been described as 'Exercise in Disguise'. This fully accredited course (through the Northern Ireland Open College Network) has been designed for those who understand the value and rewards of bringing physical activity to frail, older people and those with disabilities.

The On your Feet course is for those who find a traditional exercise class too much but are still mobile and active. The course is designed to keep people on their feet, promote independence and improve fitness levels. It also improves reflexes, bone strength (which helps in the fight against osteoporosis), co-ordination and balance, which is a vital aid in falls prevention. There is a very strong social aspect to this course as participants interact with each other, talk, laugh and have fun.

The On Your Feet course can:

- Improve general fitness (including lung function)
- Improve mobility, strength and flexibility
- Improve posture and alignment
- Promote independence
- Improve social life
- Slow down age related illnesses and conditions
- Provide great fun.

As well as all course materials, LifeDock can also provide an ongoing support system ensuring that On Your Feet leaders never feel left on their own after they have completed the training.

This course is designed for those who are currently working with older people and those with limited mobility, mental and physical disabilities and learning disabilities.

This is an Open College Network Level 2 accredited course and involves completion of a short workbook and practical assessment.

Day 3 is a workshop designed to reinforce learning, build confidence and address any challenges Learners may have experienced when delivering to their groups. This workshop will encourage participants to practise what they have learned in anticipation of the workshop.

Dates

Tue 26 Sep 2017 9.45am – 5.00pm Knockbracken Hall, KHCP

Tue 3 Oct 2017 9.45am – 5.00pm Knockbracken Hall, KHCP

Tue 19 Dec 2017 2.00pm – 4.45pm Knockbracken Hall, KHCP

Attendance on all 3 dates compulsory

Simply Street Training

Simply Street Training

Simply Street is an easy to learn, pre-choreographed, Hip Hop influenced dance programme. It is designed to get people moving, by equipping leaders to lead a Simply Street session. As well as pre-choreographed routines that can be learned from online tutorials, Simply Street leaders will also learn how to develop their own routines; keeping their sessions, fresh fun and exciting. All ages can enjoy Simply Street but is particularly suitable for young people and children. If you believe in the importance of physical activity and are keen to see people experience the benefits it brings then Simply Street is perfect for you

Simply Street is perfect for anyone who works with young adults, teenagers or children and is passionate to see them becoming more active. We have trained a group of teachers who work in Special Needs schools who have experienced great success with Simply Street. You don't need to be able to dance to lead a session – just a willingness to laugh and 'Learn the moves and pass them on'.

Simply Street is perfect for:

Special needs/learning disability settings, after-schools leaders, youth leaders, community coaches and mental health settings

Objectives

The objectives of this course are to:

- Deliver a safe and effective session
- Learn how to break down, teach, lead a pre-choreographed session
- Understand the implications of physical activity and the young person
- Employ motivation techniques and leadership skills
- Understand and address Health and Safety issues
- Understand how to adapt the session according to the ability and needs of the group

Dates

Thur 7 Sep 2017	9.45am – 5.00pm	Minor Hall, Lough Moss Centre, Carryduff
Thu 14 Sep 2017	9.45am – 5.00pm	Minor Hall, Lough Moss Centre, Carryduff
Thu 9 Nov 2017	2.00pm – 4.45pm	Minor Hall, Lough Moss Centre, Carryduff

Attendance on all 3 dates compulsory

Walk Leader Training delivered by Health Improvement Team, Belfast

This one day training will equip those attending with the skills necessary to promote and lead safe and enjoyable walking sessions for people of all ages and abilities.

The training involves:

- The rationale of health walks
- The importance of exercise in relation to physical and mental health
- Leading a walk
- Safety issues and necessary forms that need to be filled in
- Motivating and encouraging people to take up walking as a form of physical activity
- It is expected that those who complete the training will be influential in leading walks in their local areas. This training is available to anyone ages 18 or over and training is free.

Please note this is a basic level course which promotes low level health walks for people who are inactive.

All participants will be expected to be active as Walk Leaders within two months of attendance and commit to facilitating at least 12 walks per year as part of their work role or in a voluntary capacity.

Free insurance cover is provided to participants leading walks in an unpaid voluntary capacity.

Dates

Wed 14 Jun 2017 9.45am – 3.30pm Lough Moss Centre, Carryduff

Wed 19 July 2017 9.45am – 3.30pm Clady Villa, building nr 45, KHCP

Thu 12 Oct 2017 9.45am – 3.30pm Knockbracken Hall, KHCP

Wed 21 Feb 2018 9.45am – 3.30pm Knockbracken Hall, KHCP
